

TWO YEAR COURSE PLANNING CALENDAR

Mesa State College offers a vast array of courses at numerous locations and in various formats (courses offered on the Montrose campus can be found throughout the document, and in a separate section starting at the end of the course listing). Some courses are offered every semester, while others are only offered bi-annually or when demand has been expressed. This course planning calendar has been developed to assist students with planning their degree program. If you have questions about course offerings please contact the department offering the course.

How to Read This Planning Calendar

Course number and title

If "INACTIVE" appears next to course title the course is no longer offered

Semester

If blank, course is not offered that semester. In this example, no ACCT courses are offered during January Term 2009.
