## **National anti-drinking and driving presentation at Mesa State**

Grand Junction – The National Save A Life Tour will present its acclaimed anti-drinking and driving program in Brownson Arena at Mesa State College on Wednesday, April 1 from 10 am – 4 pm.

The National Save A Life Tour is a division of Kramer International in Grand Rapids, Michigan. It is a high impact multimedia presentation that takes a non-traditional “shock jock” approach to alcohol awareness and anti-drinking and driving. Included in the presentation is a hard-hitting and very graphic video that uses footage from actual events to show how devastating driving under the influence can be. There will also be a state-of-the-art, multiple-screen drunken driving simulator to help students understand the effects alcohol has on the ability to drive.

The presentation is sponsored by Mesa State College Student Life, the Mesa County Coalition for Suicide Prevention and Live Well – Mesa State. For more information about the presentation, go to [www.savealifetour.com](http://www.savealifetour.com).
